BEYOND HORSE MASSAGE: EASY-TO-VIEW WALL CHARTS

Large Format Photos and Instructions for 13 Techniques

JIM MASTERSON

Trafalgar Square Books is pleased to announce the release of *Beyond Horse Massage: Easy-to-View Wall Charts* by Jim Masterson.

Since the release of the now international bestsellers *Beyond Horse Massage*, the book and DVD, Jim Masterson, creator of the Masterson Method™, has received countless requests for an easy-to-use visual aid to always have on hand in the barn. The results of this popular demand are these large-format hanging wall charts, clearly providing the quick-reference photos and step-by-step instructions for 13 Masterson Method techniques. With a spiral binding and grommet for hanging the charts in the stall or the aisle, those who have discovered the benefits of the Masterson Method—including improved performance and seamless communication—now have the perfect tool to continue building a remarkable relationship with their horses.

JIM MASTERSON, the official Equine Massage Therapist for the 2006, 2008, and 2010 USET Endurance Teams, and for equine clientele competing in FEI World Cup, Pan American, and World Games competitions, developed a system in which the horse participates in the bodywork process by showing the practitioner where tension has accumulated, precisely how much pressure is needed to release it, and when it has been released. The result is an effective method of bodywork that anyone can learn to use, which improves performance while at the same time opening new levels of communication and trust with the horse. Jim is the author of the bestselling book *Beyond Horse Massage* and the DVD of the same name. He teaches Masterson Method seminars and advanced courses to horse owners, trainers, and therapists worldwide (mastersonmethod.com).

A great companion to the
bestselling book and DVD!
