## A Side of Fergus You Won't Want to Miss

### FERGUS: A HORSE TO BE RECKONED WITH

JEAN ABERNETHY

Trafalgar Square Books is pleased to announce the release of *Fergus: A Horse to Be Reckoned With* by Jean Abernethy.

Fergus, the cartoon horse with an international following—now a bonafide social media star—is back! Following up the immensely popular 2015 release of the rollicking comic-strip treasury *The Essential Fergus the Horse*, this new book explores the rise and mass acceptance of natural horsemanship training techniques via a comical conversation between Fergus and “The Lad,” a young boy who is determined to ride him.

Hilariously expressive illustrations and clever verse depict the dialog between horse and human as The Lad maintains his amiable approach, regardless of Fergus’ doubtful reactions and claim of equine superiority. Both endlessly entertaining and internationally educational, *Fergus: A Horse to Be Reckoned With* is certain to inspire laughter in adult readers while making a positive impression on young, would-be equestrians.

JEAN ABERNETHY has been producing equestrian-related drawings, horse portraits, and horse cartooning for over 30 years. She has illustrated several books and instructional articles, technical how-to drawings, and diagrams for instructional purposes. She is also the author of the bestselling book *The Essential Fergus the Horse*, also from Trafalgar Square Books.

**“Fergus makes us laugh, whether he is bedeviled by flies or explaining to his rider the benefits of falling off: ‘You wanted to practice groundwork and flatwork and you wanted to practice without stirrups. And there you are...flat on the ground and with no stirrups. Looks like a success to me!’”**
