## THE ART OF LIBERTY TRAINING FOR HORSES

Attain New Levels of Leadership, Unity, Feel, Engagement,  
and Purpose in All That You Do with Your Horse

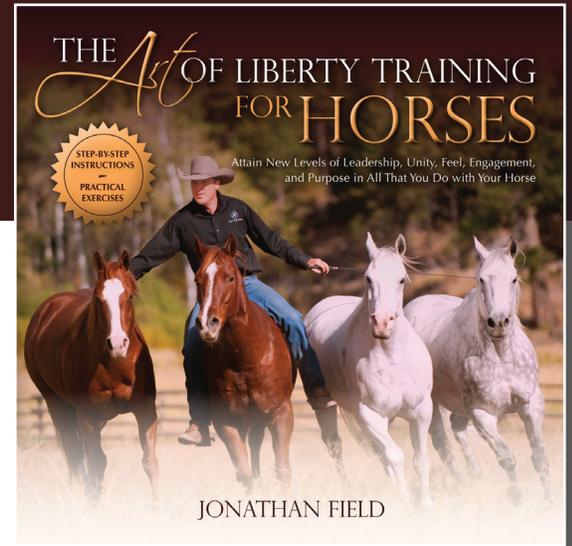

JONATHAN FIELD

Trafalgar Square Books is pleased to announce the release of *The Art of Liberty Training for Horses* by Jonathan Field.

Developing communication skills and your relationship with your horse through liberty benefits all that you do, whether on the ground or in the saddle, whether competing or riding for pleasure. Quick responses to subtle cues, clear aids, and a relaxed and attentive horse: These are the keys to liberty, and they are also objectives when you ride, drive, or interact with the horse on the ground around the barn.

With Jonathan Field's step-by-step liberty training method, learn to have a better "feel," to reward the horse sooner, and to time aids just right to ensure a correct response. Plus, discover how to approach things from the individual horse's perspective—an important key to getting a horse to act because he *wants* to, rather than because he *has* to. Fabulously illustrated with hundreds of action-packed photographs taken on Field's spectacular ranch in British Columbia, this book can change the way you are with horses—and change the way horses are with you.

**JONATHAN FIELD** is a highly acclaimed natural horseman who has helped thousands of people achieve amazing results with horses through his teaching. His unique methods combined with his ability to instruct and inspire are why Field's star is shining bright in the equine industry. Each year, Field, his wife Angie, and their sons Weston and Mason spend half the year touring and teaching across North America. The rest of the year, Field manages two teaching facilities: the Field Horsemanship Center in Abbotsford and the James Creek Ranch in Merritt, British Columbia. In addition to live appearances at clinics, expos, and seminars, and hosting intensive camp programs at his own facilities, Field regularly writes articles for equestrian publications and has produced a home-study DVD course about horse training. Find out more about his schedule, programs, and educational products online at [jonathanfield.net](http://jonathanfield.net).

**“When you do liberty right, you become one with the herd. And not only do you develop an amazing connection with your horse, but it’s one of the most fun things you will ever do.”**
