## Discover Trust and Harmony on the Long Reins

### CLASSICAL LONG REINING

SASKIA GUNZER and PFERDIA TV

Trafalgar Square Books is pleased to announce the release of *Classical Long Reining* by Saskia Gunzer.

The art of long reining is a fascinating discipline of classical equitation, and one of its supreme achievements. Mutual trust between horse and trainer are a must—the trainer has only a few aids available with which to communicate with the horse in all gaits and for all exercises.

Work on the long reins is extremely enriching for anyone looking for a new challenge and wanting to introduce some variety into a training routine. This kind of work is also an excellent way to give a meaningful occupation to horses who cannot be ridden for health reasons. With this DVD, well-known German trainer Saskia Gunzer will show you how, step-by-step, from the very beginning up to Haut École. Topics covered include:

- Equipment for horse and human
- In-hand preparatory work
- Basic position of the long reins
- First steps on the long reins
- Lateral movements
- Work at canter
- Piaffe, passage, and Spanish walk

**SASKIA GUNZER** has been working successfully for many years as a trainer in the disciplines of work in-hand, liberty schooling, circus tricks, and work on a long rein. She has trained horses from a wide variety of breeds on the long reins up to Haute École, and her expertise is much sought after. Her performances with her Arabian thoroughbred “Dimitri” have enchanted audiences for years.

**A thoughtful, structured, step-by-step guide to the invigorating classical art of long reining!**
