THE MESSAGE FROM THE HORSE

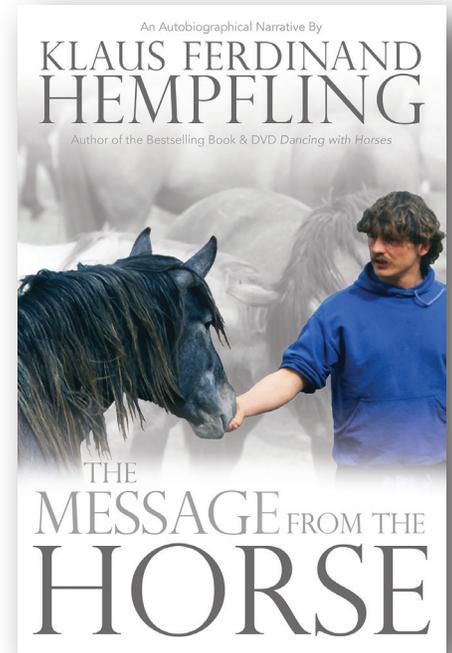

KLAUS FERDINAND HEMPFLING

Trafalgar Square Books is pleased to announce the upcoming release of *The Message from the Horse* by Klaus Ferdinand Hempfling.

In the form of a wandering, lyrical, autobiographical narrative, world-renowned horseman Klaus Ferdinand Hempfling exposes the inner turmoil, fear, doubt, and darkness that sends him off the roads most traveled in search of answers. His quest for meaning takes him to lonely spaces high up in the mountains where a mysterious old monk pushes the impetuous young Hempfling to question his grasp of self and other, of perception and reality. When Hempfling fails to understand the angry heart of an abused and starving stallion, he is sent on a quest to find and follow an elusive band of wild horses, an exhausting journey that beckons with illumination—but only at great cost.

As Hempfling reflects on cultures past and his present surroundings, his words linger on visual, sensual, and inspirational clues, bringing his personal experiences alive on the page in emotional detail. His thoughts string together like clicking beads, brilliantly illustrating the passage of time and the interconnectivity of all beings. Ultimately, Hempfling comes to a truth, which for him brings heaven and earth into sharp focus.

KLAUS FERDINAND HEMPFLING is a passionate horse lover with a professional background in communications, theater, and dance. A talented horseman, he has continually shaken up the international equestrian world with his thought-provoking theories. His methods of communication with the horse via a body language the animal can understand have been embraced by thousands of participants at his clinics and demonstrations, as well as those who have read his bestselling books and seen his popular DVDs. Hempfling operates a beautiful training center in Denmark, where he offers coaching and seminars. His other works include *What Horses Reveal*, the *Dancing with Horses* book and DVD, and *Coming Together* the DVD, all available from Trafalgar Square Books.

“It is not really so important to record what I do as to try to share the almost indescribable secrets that lie *behind* what I do.”
