## HORSE SPEAK: THE EQUINE-HUMAN TRANSLATION GUIDE

Conversations with Horses in Their Language

by SHARON WILSIE and GRETCHEN VOGEL

Trafalgar Square Books is pleased to announce the release of *Horse Speak*, written by Sharon Wilsie and Gretchen Vogel.

Horse Speak is not a training method or technique to make you ride better. It is a practical system for "listening" and "talking" to horses in their language. Horse Speak can be used by any individual who works with horses. It promises improved understanding of what a horse is trying to tell you, as well as providing simple replies you can use.

The result? Time with your horse will be full of what horse trainer and equine-assisted learning instructor Sharon Wilsie of Wilsie Way Horsemanship calls *Conversations*, and soon the all-too-common misunderstandings that occur between horse and human will evolve into civil discussions with positive and progressive results!

With this book you can learn Horse Speak in 12 easy steps. A number of exercises provide practice for regulating your intensity, helping you begin to manage what's going *inside* your body as well as *outside*. Enjoy dozens of ready-made conversations with your horse, as step-by-step templates and instructional color photographs walk you through the eye-opening process of communicating on a whole new level.

**SHARON WILSIE** is a professional animal trainer and rehabilitation expert who regularly works with horses for private clients and at equine rescues. She is the author of two previous books: *Solar Gardening*

and *Choices in the Afterlife*. She lives in Keene, New Hampshire.

"I am so delighted to see Sharon Wilsie's ideas in writing! *Horse Speak* is an essential addition to the library of anyone who loves, works with, or just needs to talk to horses."
