THELWELL'S PONY PANORAMA A Classic Collection Featuring *Gymkhana*, *Thelwell Goes West*, & *Penelope* NORMAN THELWELL

Trafalgar Square Books is pleased to announce the release of *Thelwell's Pony Panorama* by Norman Thelwell.

Following the publication of British artist Norman Thelwell's first pony cartoon, his name became synonymous worldwide with images of little girls and fat hairy ponies. In 2017 *Thelwell's Pony Cavalcade*, featuring many of the earliest Thelwell cartoons, was re-released in North America, reviving the artist's fervent fandom and initiating calls for more. Now, in this second hilarious collection, readers are treated to three additional Thelwell Classics: *Gymkhana*, *Thelwell Goes West*, and *Penelope*. Those new to Thelwell will fall in love with his uniquely irreverent-yet-informative view of the equestrian world, while long-time enthusiasts can indulge in a delightful dose of equine-friendly nostalgia. Sure to please anyone with a pony-littered past or a horse-crazy present!

In 1952, **NORMAN THELWELL** penned his first cartoon for the satirical British magazine *Punch*, renowned internationally for its wit and irreverence, and for publishing the world's best comic writers and poets. This led to a relationship that lasted for 25 years and over 1,000 cartoons, including 60 front covers. Thelwell was a master of sharp social comment and sheer zany humor, and his 34 books have sold millions of copies worldwide and have been translated into numerous languages (thelwell.org.uk).

"Thelwell is as funny as ever!"
