LINDA TELLINGTON-JONES with MANDY PRETTY

Trafalgar Square Books is pleased to announce the release of *Training and Retraining Horses the Tellington Way* by Linda Tellington-Jones with Mandy Pretty.

World-renowned equine expert Linda Tellington-Jones's healing equine bodywork and innovative training methods have revolutionized the horse training landscape over the last 50 years. Her unique blend of hands-on TTouch (a collection of circles, lifts, and slides done with the hands over various parts of the horse's body), combined with humane groundwork and under-saddle exercises, has helped solve training and behavioral problems for horses of every breed, every discipline, every age, and all levels. Now she is presenting a thoughtful recipe for starting the young horse without stress, helping to establish the very best beginning, in hand and under saddle. Unfortunately, not all horses have the benefit of the right foundation, which can lead to misunderstanding, mistreatment, and unhappiness for both human and horse. With this in mind, Tellington-Jones also curates her own experience working with older horses ready for a second chance at life, providing the necessary tools for filling in training "holes" and reconfirming lessons that may have been poorly taught or forgotten. The result is a book with all the right ingredients and its heart in the right place: whether starting right or starting over, Tellington-Jones's field-tested, compassionate answers are an excellent way to find connection while ensuring the horse a lifetime of success in the company of humans.

**LINDA TELLINGTON-JONES** is the internationally recognized equine expert who developed the Tellington Method approach to healing, training, and communicating, which can be learned and practiced by horsemen and women of all levels. She was honored as the 1994 Horsewoman of the Year by the North American Horsemen's Association and presented with the ARICP Lifetime Achievement Award, given annually to a person who profoundly affects the equine world in a positive manner. She is the author of numerous books and DVD programs, including the bestselling *Ultimate Horse Behavior and Training Book*, and she routinely travels worldwide teaching her methods.

"Linda Tellington-Jones is one of the best horsewomen we have ever known. This book is a treasure for all riders and trainers who want a partnership with horses, and want to train horses with respect and feeling."
